

# Dear Parents –

Today is your child’s day to take the Surprise Box home! Please read the directions on the front of the box for further instruction. The Kindergarteners already have had opportunities to see the Surprise Box “in action,” so they should be familiar with the routine and know what to do.

Please see our first Surprise Box contents and clues below for examples of how the activity works.

Above all, make it fun and exciting. This is not meant to be a frustrating task. If you have any questions, comments, or concerns, please feel free to contact me (the back of the clue sheet is a GREAT place to do this).
